### Imagine the Possibility: Serra for Priestly and Religious Vocations Pray For Vocations

### The Road to Priesthood:

#### It Involves a Rigorous Formation Process

Seminary formation involves much more than academic study. Prior to ordination, a candidate for priesthood goes through a lengthy evaluation period, including an internship during which he lives in a rectory and works with priests, staff and parishioners.

During this time, the candidate is judged as to his suitability to be a priest. No one is ordained unless the staff of St. John's Seminary, including the lay faculty and formation advisers, concludes that the candidate has attained an emotional, psychological and sexual maturity appropriate for his age and for the celibate life of a priest. For details (Website -[www.la.archdiocese.org](http://www.la.archdiocese.org) and click on "Vocations" tab). For particular help, you may call Assistance Ministry at **213-637-7650**.
