The Most Holy Trinity - May 30, 2010

The love of God has been poured out into our hearts through the Holy Spirit. — **Romans 5:5b**

Praise to the Creator

The first reading from Proverbs is a beautiful doxology of the glory of Christ, who existed before all of creation. Christ is the Wisdom of God spoken of in the verse: "from of old I was poured forth at the first before the earth" (Proverbs 8:23). Christ is described in terms of pre-existence, of knowledge and wisdom of God. As the Child of God, in whom the Creator delights, playing on the earth and delighting in the human race. Psalm 8 continues this hymn of praise to the Creator. It enumerates all the wonders of creation and the marvelous, wonderful truth that God has put humanity at the forefront of it all. It is described that mankind has been made a little less than angels, "crowned with glory and honor" (Psalm 8:6). (c) Copyright, J. S. Paluch Co.
