Be Like the Samaritan

The parable in today's Gospel is one of the best known of all the teachings of Jesus. The term "Good Samaritan" has been used to name various charitable organizations and is even the official name of one state's emergency roadside assistance program that helps stranded motorists. With the prevalence of the terminology used to describe various activities in our day, we might be led to forget the real message of this Gospel passage. This Samaritan man was the only one who offered the beaten man help. Fact is, Samaritans were considered the lowest of the low in the time of Christ. A good Jewish person would not even have gone near a Samaritan for fear of being rendered impure. The Samaritan was motivated solely by the sense that the poor man needed help and didn't care about religious or social status. The message Jesus gives to us is that we are to do the same.

National Needs Combined Appeal (NNCA)

Next weekend, **July 17-18**, our Parish is asked to participate in the NNCA Appeal. Sharing the "Good News" is dependent upon your generosity. This appeal makes it possible for us to continue strengthening Catholic faith, values and education.

NNCA helps support some of the poorest dioceses in the country that depend on the annual support of its parishioners. It enables us to ensure the highest standards of quality Catholic education through the Catholic University of America (CUA). The CUA offers exceptional programs of scholarship, research and service.

NNCA also strengthens the Church at home and helps provide basic pastoral resources and services to needy ethnic communities in scattered, isolated areas through the Catholic Home Missions Appeal.

Please give as generously as you can to this very important appeal.
