Don't Be Anxious

One can wonder how Luke's Gospel passage today might have been different if Mary, not Martha, had been the one to complain to Jesus, if Mary had said "Lord, look at her! Here you are sharing your wisdom and all she can think about is supper." Jesus may have noted, as Luke does, that Martha was burdened with much serving. Later in his writings, this same evangelist will describe in Acts how the early community set aside people whose ministry it is to see to the serving at table.

As a fully human person, Jesus knew the human needs that had to be tended. He doesn't deny this, nor does he chastise Martha for her working in service. He chides her for being anxious and worried. How can Martha, or any of us, be anxious or worried about the serving that needs to be done when we do it in the context of the Lord's will and wisdom? The Church has done more than any other institution to bear the heavy burdens of serving the ill, the uneducated, the suffering. It has been "Martha" to countless of the little ones whom Christ told us were his very presence. But, the Church has also borne the burdens of service from the position of Mary. She was at the feet of the Lord, listening to and being guided by his word.

National Needs Combined Appeal (NNCA)

This weekend, **July 17-18**, our Parish is asked to participate in the NNCA Appeal. Sharing the "Good News" is dependent upon your generosity. This appeal makes it possible for us to continue strengthening Catholic faith, values and education.

NNCA helps support some of the poorest dioceses in the country that depend on the annual support of its parishioners. It enables us to ensure the highest standards of quality Catholic education through the Catholic University of America (CUA). The CUA offers exceptional programs of scholarship, research and service.

NNCA also strengthens the Church at home and helps provide basic pastoral resources and services to needy, ethnic communities in scattered, isolated areas through the Catholic Home Missions Appeal.

Please give as generously as you can to this very important appeal. Thank you.

Child Abuse is a National Problem

According to the U.S. Department of Health and Human Services, There were 794,000 reported child abuse victims in 2007 alone. If a disease claimed that many young lives, imagine what our national response would be like. Abuse, even if it is not fatal, robs a life and damages a child's spirit. It changes who that person is on a deeply fundamental level. For information on how you can become more informed and involved in keeping our children safe call: Assistance Ministry at **213-637-7650** (or <http://www.archdiocese.la/protecting/index.php>).
